Subject: California Proposition 65 Compliance Statement for Films Provided by StockPKG

---

This compliance document serves to affirm that all films that are supplied by StockPKG are in accordance with the requirements outlined in California Proposition 65. StockPKG hereby declares that all products manufactured for StockPKG comply with the regulations set in Proposition 65. We declare that during the production of above said films, our manufacturers do not use or intentionally incorporate into them, any of the chemicals as restricted by Chemical List of Proposition 65 of the state of California and subsequent amendments. For any other inquires or additional information regarding our compliance of any regulatory matters, please feel free to contact me.

Sincerely,

Brian Sindelar

FSQA Coordinator
